

April 17, 2010

Dear JLS Childcare Team Families,

After hearing from most of you through the email we sent out, we have decided to do a “soft opening” on Monday, April 20, 2020. We will open at 6am and close at 5:30pm. We are mandated by the state, due to COVID-19 restrictions, that no more than 10 (including the teacher) per classroom, except for infant which are restricted to 6 children and 8 for toddlers. Please remember that this limits the number of children we can accommodate in our buildings. Again, we apologize for the inconvenience, and regret any problems the mandate might cause.

**IMPORTANT:** If you did not reply to our email or our Facebook request we cannot guarantee we will be able to accommodate you. If you replied to our email we have you on the list, if you did not then PLEASE call the center on Monday prior to coming in.

It is possible that your center may be at capacity but we could still assist you at one of our sister centers. If this happens you will be called or emailed and we would make those arrangements together.

We will resume our 6:00am – 6:30pm schedule Monday, April 27, 2020.

We will continue watching, and following the guidelines set by the local, state and federal officials. As always we will continue to update on Facebook, our website or through our email system.

Thank you for your understanding, our #1 priority continues to be the health and safety of our children and staff.

Michael and Wendy Bush
