

April 10, 2010

Dear JLS Childcare Team Families,

We have been closely following our state and local officials and feel we need to extend our closure through Friday, April 17th, 2020.

As of today we hope to reopen on Monday, April 20, 2020, however due to the liquidity of the situation, we feel it is best to reevaluate weekly. We will to update you on Facebook and our website no later than Friday of each week.

We deeply regret any problems our closure may cause you please understand that our #1 priority is the health and safety of our children and staff and doing our part in lessening the curve.

Please feel free to contact us either via email or through Facebook messenger with any questions or concerns you have.

Thank you and stay safe.
